UI/UX DESIGNER

Sanepa, Lalitpur | 9808210750

Sarbesh Lal Amatya

ABOUT

UX/UI and Visual Designer with about **6 years'** experience across HR, Attendance, Admission, Lead and Task management systems for higher education and software clients. Focused on simplifying complex internal workflows into usable interfaces.

EXPERIENCE

May, 2022 – Oct, 2026 (Planned)

Senior UX/UI Designer

Pexus Tech Pvt. Ltd. (Former ING Tech), Kathmandu

Led **UX** and **Visual design** for **app-based** platforms, defining the company's **design language** and **style guide**. Designed and shipped Admission, Attendance, Tracking, Cluster Lead, HR and Task Management systems used across partner colleges and tech companies including Islington College, Herald College, Apex College, Xavier International College, Cyber Universe, ING Impact and Skill Academy. Owned design for multiple client websites alongside internal systems, balancing **web** and **mobile app** work.

Aug, 2021 – Apr, 2022

GRAPHIC DESIGNER (UI/UX DESIGNER)

E.K Solutions Pvt. Ltd., Lalitpur

Designed and implemented an interactive prototype using Figma, which was tested with over **150 users**, leading to actionable insights that improved user satisfaction scores by **25%** in post-launch surveys for client accounts including **Koklass, Dalle** and **Hamro Grocery**.

Oct, 2020 – Jan, 2021

Web Developer

Curl Labs Pvt. Ltd., Kathmandu

Developed and launched website enhancements for **Curl Labs** and **KTM Guide**, applying UI/UX fundamentals and utilizing Elementor for visual upgrades, resulting in about **25%** increase in **user engagement**. Optimized website content and structure for search engines through on-page **SEO** and blog post creation, driving 40% increase in **organic traffic**.
